EXPERIENCE

Advance Computing, Kyabram, Victoria — Software Developer Trainee

January 2016 - December 2016 (1 Year)

I worked at Advance Computing for around a year where I started a Certificate 3 in Information Technology as a part of my traineeship in software development. I learnt a lot during my time at Advance, had many amazing experiences, obtained a greater knowledge of business and got my first real taste of the software development industry.

McDonald's Australia, Echuca, Victoria — Kitchen Crew Member

March 2015 - January 2016 (1 Year)

I worked at McDonald's Echuca within the kitchen environment, being trained in most aspects. During my time here, I gained irreplaceable skills and experience in teamwork, punctuality, leadership and of course, cleaning and cooking.

Kyabram Community and Learning Centre, Kyabram, Victoria — IT Technicians Assistant (Work Placement)

March 2014 (½ Year)

As a part of my VCAL studies, we were required to find work placement positions for at least one day a week. I worked at KCLC in the IT department helping with various repair jobs, network issues and general computer assistance.
